

THE MOST EXCEPTIONAL, AFFORDABLE STUDY ABROAD PROGRAM IN THE WORLD.

OUTSTANDING QUALITY FOR NEARLY 10 YEARS

- The highest-rated, most affordable study abroad programs in the world, known for their customizable and flexible features to fit all institutional calendars, academic subjects, and student schedules.
- 400+ carefully selected and highly-skilled faculty pull course material from their years of experience in advanced teaching and technology pedagogy.
- Exceptional faculty are certified by CIEE's VP of Academics and evaluated at the conclusion of each six-week block.
- Alums report a high level of satisfaction and value.

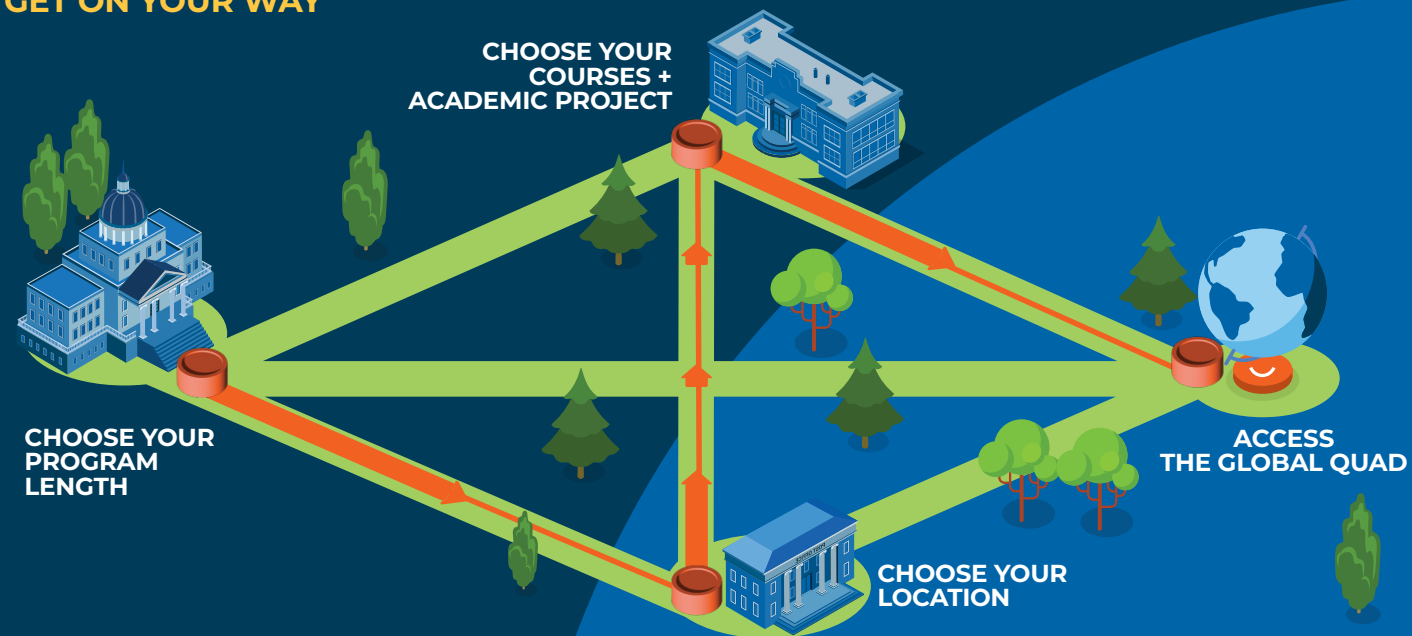

HIGH-DEMAND COURSES OFFERED EVERY BLOCK

- 400+ courses offered in all high-demand areas of study (business, STEM, sustainability and environmental studies, communications, and more), delivered in English and covering course material needed to meet graduation requirements.
- Optional language studies offered in eight languages.
- Bonus experiential learning available: Internships, independent research, volunteer opportunities, and service-learning.

BUILDING A PATHWAY FROM YOUR CAMPUS QUAD TO OUR GLOBAL QUAD

- A consistent, comprehensive, integrated network of block programs spanning 20 global cities that are the fastest-growing study abroad programs in the world.
- Blocks are intentionally aligned with the U.S. academic calendar, offering flexible and convenient semester, quarter, and summer terms.
- Consistent academic rigor and quality offered across all 20 global locations.
- You can choose to stay in one location for up to three blocks or build a fully customizable multi-site program of comparative study in up to three locations.

GET ON YOUR WAY

OPEN CAMPUS BLOCK A PROGRAM AS UNIQUE AS YOU

ciee
STUDY ABROAD

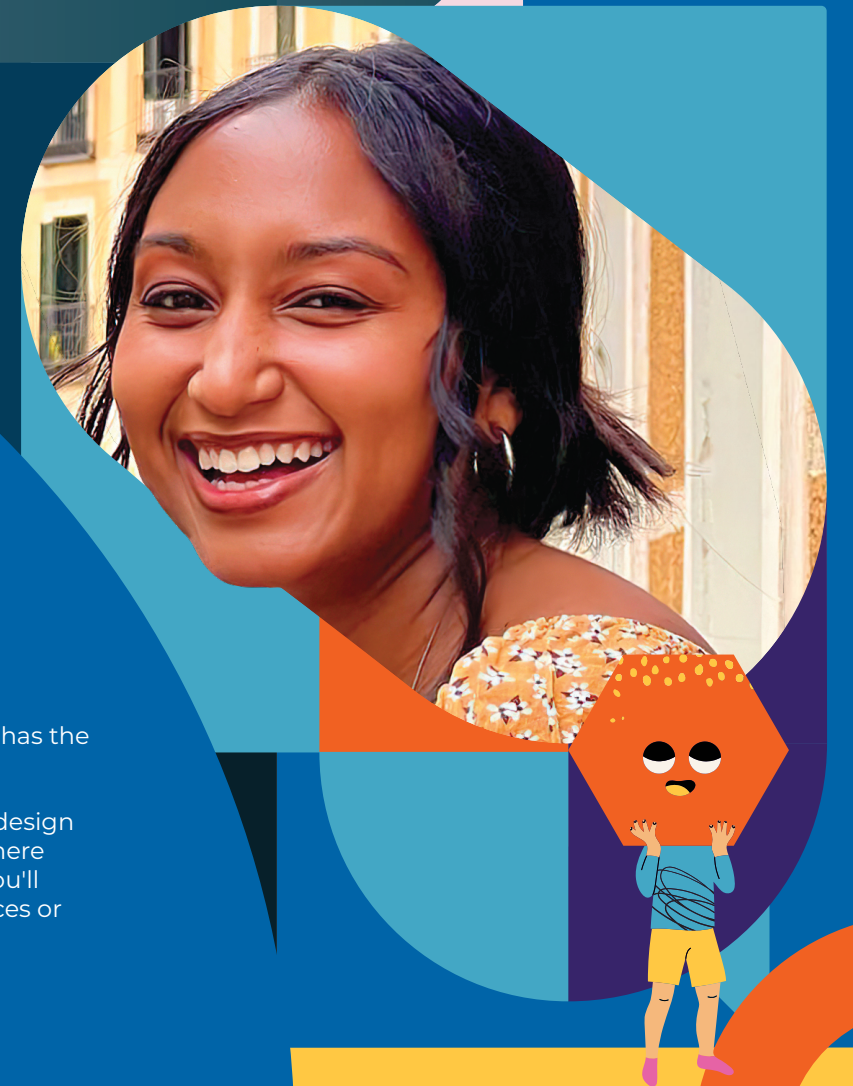

Instead of fitting yourself into a study abroad program, **let's build a program that fits:**

- ★ YOUR SCHEDULE
- ★ YOUR DESTINATION(S)
- ★ YOUR PASSIONS

Only CIEE – the world's leader in study abroad – has the connections and credibility to build it.

With CIEE's Open Campus Block program, you design every detail of your journey – from when and where you'll go to how long you'll be there and what you'll study. All without missing the cultural experiences or logistical support of a traditional program.

CIEE Open Campus is truly **yours by design.**

CHOOSE WHEN YOU GO AND HOW LONG YOU GO

Spring, summer, or fall, it's your call! Our program follows a **U.S. semester calendar**, even if your destination city doesn't. Choose one, two, or all three consecutive six-week blocks! Whatever you choose, it's yours by design.

▶ **SPRING**

▶ **SUMMER**

▶ **FALL**

weeks

CHOOSE YOUR HOUSING

CIEE offers diverse housing options that have you living like a local no matter where you study abroad. From apartments to homestays, dorms to residence halls - and more - you'll find your home away from home!

- Homestays
- Residential Living
- Additional Housing Options Available

CHOOSE WHERE YOU GO

Our Open Campus Block programs are offered in **20 incredible cities around the world!** No matter where you travel, you'll be in the center of it all.

Amsterdam (2025)
Berlin
Buenos Aires
Cape Town
Copenhagen
Dublin

Kyoto
London
Madrid
Milan
Monteverde

Paris
Prague
Rome
Santiago
Seoul

Singapore
Shanghai
Sydney
Yucatan

With CIEE's Open Campus Block program, there's always something new to discover. Cheer on your favorite sports team at live events with locals. Travel to scenic and historic places outside the city. Taste-test traditional cuisine and learn local recipes. See the sights and hear the sounds that make the city unique. Bring your classwork to life by living and learning in the city where you'll **make memories to last a lifetime.**

USE OUR DESIGN TOOL TO PLAN YOUR EXPERIENCE IN MINUTES

EXPLORE WHAT'S POSSIBLE WITH THE OPEN CAMPUS BLOCK PROGRAM

CHOOSE CLASSES IN ENGLISH AND FOR CREDIT

Classes are taught in English in U.S.-style classrooms within our beautiful Open Campus Block centers. You'll select two six-week courses per block that cover a semester's worth of content so you'll return to campus with credits and confidence.

CHOOSE AN INTERNSHIP AND GIVE YOUR RESUME A BOOST

Spend one of your blocks gaining international work experience during a **once-in-a-lifetime internship** to boost your chances of a great job offer after graduation. Or conduct a research project to round out your trip and diversify your resume.
